

# Choosing well is choosing the best for what matters the most, health

## DKV Personal Health

- We are the leaders in health insurance in Europe.
- Pioneers in clarity and excellence.
- With different insurance policies and modalities to always adapt to your needs.

## Choose smartly, we are more than a price

### How about you? Are you only going to look at the cost to make your choice?

Imagine that you suffer an illness or an accident and your company does not renew your policy or doubles the usage premium. You would find yourself without a health insurance company and with a pre-existing condition, a major problem!

#### We promise:

**Not to cancel your policy**  
We commit to **not cancelling your policy** from the 3rd year.

**Using your policy does not increase the price**  
We do not raise the price of your insurance based on the way you use it.

### And more advantages with which we continue to make a difference

Market value of 200 euros per year/insured person\*

Market value of 83 euros per year/insured person\*

Market value of 18 euros per year/insured person\*

#### The best doctors

At your disposal – CUN, Quirón, Ruber, Teknon, etc. Without paying more for it!

#### Dental service

Included in your policy, with free services and others at very special prices. It is not usual!

#### Work and traffic

Unlike other companies, we offer you healthcare in accidents and at no extra cost.

Market value of 60 euros per year/insured person\*

Market value of 180 euros per year/insured person\*

#### Worldwide travel assistance

Travel insurance for emergencies with the best cover on the market, up to 20,000 euros and 180 days!

#### Digital Doctor\*\*

With DKV, you will always have a doctor on your phone to make video consultations, chats or check symptoms.

#### 3D mammograms

3D mammogram (breast tomosynthesis), avoiding unnecessary biopsies.

Market value of 120 euros per year/insured person\*

#### Financial compensation

If you are hospitalised and not at the expense of DKV, we will pay you €80/day, up to €2,400 from the third day.

#### Psychology

A greater number of sessions for food disorders, school bullying, cyberbullying, work stress and gender or family violence.

\* Already included in your policy.

\*\*Service managed by DKV Services S.A., an entity entrusted with the provision and development of digital healthcare services for persons insured by DKV Seguros y Reaseguros SAE.

## We are revolutionising Digital Healthcare by transforming traditional care

At DKV Seguros we offer you an important range of digital services that make healthcare easier and more comfortable!

Now you know why **we are more than just a price in healthcare** – quality is also the difference. **With DKV, you benefit!**
